Mr. Glenn Johnson

We, the committee of Winterville Community IMPAC, would like to express our gratitude of service provided by you and your team in August 2015 of Unity Day.

Your team provided us with excellent service. The quality of professionalism and variety of music was perfect for the diverse population we serviced that day of 500 attendees.

Should there ever be a need for your service again, we will greatly appreciate it if you and your team would consider providing us with your services.

Thank you again, and we look forward to partnering with your services again.

Sincerely,

Valerie Tyson, Chairman
