G' Clef Entertainment Music Group.

DJ and Karaoke Services.

Letter of Recommendation,

"I highly recommend Glenn Johnson for his work as a Dj, singer, entertainer, provider of new and update karaoke files, and awesome service as a Karaoke host. Glenn has been an excellent performer for over 30 years, and he has a very large database of quality karaoke and dj files from all over the world. I have worked with Glenn for a very long time as a partner at times and also a client. Glenn is very professional, courteous, and kind to all of his clients. He also insures that each client is very entertained throughout the course of the venue. Glenn exudes a true professional presence when handling his clients as a singer, host, or Dj, and would be a major asset to making any event fun and professional. Glenn assures his clients to having the best sound quality due to using only the best top of the line equipment and karaoke library at his events. Glenn has a very extensive karaoke list and will assure his clients a great time!!! I highly recommend Glenn Johnson for your next event!!!"
